

JME PTSA June 2018 Staff Survey Results

Suggestions from JME Staff for the JME PTSA to consider:

- Offer more STEM or Math events for students & families
- Provide 10 or so backpacks full of school supplies for students in need & replenish throughout the year as needed
- Improve outreach to families not typically engaged in PTSA activities to find out how the PTSA and staff can better support all students
- PTSA advocacy communication – let JME staff know what topics and issues PTA at the state level is working on. Could be as simple as forwarding updates from WA PTA
